Re: Docket No. MT2011 - 3

In accordance with Commission Order No. 687, issued March 1, 2011 in Docket No. MT2011-3, the Postal Service presents its data collection report for Quarter 3 of FY 2012 on the market test for Every Door Direct Mail -Retail (EDDM-R).

The following information is provided pursuant to the Commission's request for EDDM-R data (Order No. 687 at 12-13)

- The total number of customers that used EDDM-R:
 - 27, 817 customers used EDDM-R between April 1, 2012 and June 30, 2012.
- The total number of customers that used a different postal product or postal service for marketing in the 90 days prior to mailing EDDM-R:
 - 1,556 customers used a different postal product or postal service for marketing in the 90 days prior to using EDDM-R.
- The total volume of EDDM-R sent, in aggregate and by delivery unit:
 - The aggregate volume of EDDM-R between April 1, 2012 and June 30, 2012 was 140,731,056 pieces. This total includes volumes entered at non-POS ONE locations, but only POS ONE data provide the basis for the other numbers in this report. The volume of EDDM-R by delivery unit is listed in detail in the workbook filed in conjunction with this report.
- The average size of the mailing:

- The average mailing size between April 1, 2012 and June 30, 2012 was 2,039 pieces.
- The proportion of total EDDM-R mail entered by day:
 - The proportion of the total EDDM-R mail entered by day between April 1, 2012 and June 30, 2012 is shown in the table below:

Day of the Week	Proportion of Total EDDMR Volume
Monday	17%
Tuesday	21%
Wednesday	23%
Thursday	20%
Friday	16%
Saturday	4%
Total	100%

COMMISSION-REQUESTED DATA

The workbook (filed in conjunction with this report) "PRC EDDMR Report Q3 FY 12.xls" includes the summary and detailed data requested by the Commission, including transactions in aggregate and by delivery unit from April 1, 2012 to June 30, 2012. Delivery Unit identifications are masked with generic identification numbers in the aforementioned file.
